Disciplinary Procedures

“Freedom within limits” is the core of the philosophy regarding discipline in a Montessori environment. Montessori children enjoy considerable freedom of movement and choice: however, their freedom always exists with carefully defined limits in the range of their behavior. They are free to do anything appropriate within the ground rules of the school community, but they are redirected promptly and firmly if they cross over the line. Our approach to discipline is based on empowerment, mutual respect, and trust. **Corporal punishment is prohibited.** Withholding or using food, rest, or sleep as a punishment is prohibited nor is it used as a reward. Methods of discipline or interaction that frighten, demean, or humiliate a child are prohibited. A teacher or staff member only, may administer discipline in the school setting. Please refer to handbook, page 15 for further information on our discipline policy.

Immunization

DSS requires that we have a photocopy of your child’s recent immunization recorded in our files. Please include a photocopy with this application. If you do not have the records, a copy can be obtained from your local health department.

Emergency Consent

It is our policy to notify a parent when a child is ill or needs medical attention. Occasionally, we cannot contact a parent and we need to get immediate help for the child. Our procedure is to take the child to the nearest emergency service.

Please sign below so that we can take appropriate action on behalf of your child.

I HEREBY GIVE MY/OUR CONSENT FOR MY/OUR CHILD _____ WHEN ILL/INJURED, TO BE TAKEN TO THE NEAREST EMERGENCY CENTER BY THE STAFF OF MY CHILD’S SCHOOL WHEN I/WE CANNOT BE CONTACTED. Inclusion ADA:

We act in compliance with the American and Disabilities Act and other applicable federal, state or local laws pertaining to the provision of services to children with disabilities. Our goal is to meet the individual needs of the child within the structure of our program, while maintaining a healthy and safe environment for all the children and staff. We will make reasonable accommodations to afford children with disabilities full and dual enjoyment of our programs and services in the most integrated setting appropriate to their needs. We will make no assumptions concerning any individual's abilities or disabilities and will advise parents on the process of obtaining an individual assessment to determine if we can meet each child's need in our childcare setting. All parent student information both verbal and documented as well as any assessments will be kept confidential. Documents will only be viewed by persons completing the assessment and/or developing your child's individual plan.

2. Playground Policy/Born Learning Center

Our playground is located on the premises of Heritage Apartments and is approximately 1,000 feet from the school. We also take walks, weather permitting, on the Born Learning Trail, which is located directly in front of our school. The Born Learning Center is a United Way program that serves as an educational enrichment center for the residents of the Heritage Apartments and the Nicholtown Community. We are fortunate that the Born Learning Center is located directly above our pre-school and we have the opportunity to visit on Thursdays from 10:30 AM to 12:00 PM. I

give permission for my child to walk with his/her teachers to the playground, the Born Learning Trail and the Born Learning Center.

3. **Parent Conferences:** Parent conferences will be held in the fall and spring. A conference will also be held on your child's birthday.
4. **Policy for Family Communication:**
Communication on a daily basis concerning your child's well-being is of utmost importance to the Wheatley Montessori School staff. All communication will be in the child's home language when possible. A request for an interpreter will be honored if requested.
5. **Home Visits:**
Wheatley Montessori staff and educators value the relationship that we hope to have with our students and their families. We will conduct two home visits during the school year, at the beginning of school year and during the winter break. The primary purpose of visits is to create a mutually supportive relationship with our Wheatley Montessori families. The bond that we hope to create is important as we want to invite our parents to be an important part of their child's education.
6. **Family Engagement**
Once or twice a year, we will meet as a school family to support our local community. In the past, we've enjoyed participating in 5K walks/bicycle races. Or, we may just get ice cream and hang out at Falls Park.

This application is made with the desire and intention to enter my child in Wheatley Montessori School. The school reserves the right, to exclude, withdraw, or dismiss any student who fails to conform to its rules and regulations, including non-payment or late payment of fees and tuition. I understand that this application may be cancelled provided the school receive written notice within 10 days of the date this contract is signed.
